

Dear Conference Participants,

Thank you for registering for the 23rd Wellmann International Scientific Conference!

In this circular, I would like to share with you some technical information about the conference program, presentations and posters.

This year's online Wellmann International Scientific Conference will start on Thursday, **May 21, 2026 at 10:00 CET** (Central European Time). The plenary sessions will take place in the morning.

The **parallel sessions will start at 12:00 CET** and are expected to end by 15:00.

The **poster section will be continuously available on the day of the conference.**

The conference program is expected to be completed by early May, and will be uploaded to the Wellmann Conference website (<https://mgk.u-szeged.hu/wellmann/home-page/home>) under the name "Final program", and sent to participants.

In order to ensure smooth presentations and avoid technical problems, **we would like to ask all participants with a presentation** (plenary, regular or short) **or poster to upload their presentation or poster in pptx or pdf format by May 11, 2026** at the latest:

https://docs.google.com/forms/d/e/1FAIpQLSfE_474m_1IEczA16YI4IIQrDUQoH6fOZf2pt328okh4rUbHQ/viewform?usp=sharing&ouid=101714330211936362474

Please note that the **maximum file size that can be uploaded is 100 MB.**

The **presentation and poster files to be uploaded should be named** exclusively with **the last name of the presenter** (in the case of a poster, the creator), e.g. wellmann.pptx or wellmann.pdf

We recommend using a font size of at least 20 and avoiding tables that are difficult to read. When creating posters, we recommend using a maximum of 1000 words.

We kindly ask that participants with a **regular presentation** prepare a **10-minute presentation** so that there is an opportunity to ask questions and comments afterward. In the case of a **short presentation, 5 minutes** are available, so we recommend planning a maximum of 5 slides.

The three invited **plenary speakers** should prepare **20-minute** presentations each.

A separate link will be created for the morning plenary sessions, the poster session, and each of the afternoon parallel sessions. I will send these links in the next circular, but they will also be included in the final conference program.

The abstracts received have been pre-reviewed and accepted, and are currently being proofread. /Note: If the abstract submitter has not received any feedback, it means that their abstract has been accepted./

See you soon at the Wellmann Conference!

Prof. Dr. Szilárd Czóbel
secretary of the conference
